

Dear supporting member of the Engineers Club of Columbus:

Please direct this letter to the individual in your company who is responsible for corporate giving and marketing opportunities

This letter is written as an invitation to participate with the Engineers Club of Columbus by becoming a supporting sponsor of this year's:

Fall Golf Outing at Hickory Hills Golf Club on Friday, Sept. 26th.

In past years, we have received sponsorships from engineering firms, contractors, trade associations and material suppliers. We also encourage all of you associated with design and construction to take a day off from your rigorous schedules and come out and play some golf with friends and associates. We expect 128 players this year.

With your help, this year's outing will be very successful. All donations will also be recognized during the distribution of gifts and awards.

SPONSORSHIPS CAN BE CONFIRMED BY PHONE BEFORE Sept. 22nd in order to give us enough time to have your individual sponsorship sign printed. You can send your check later.
