October 24th, 2022

Dear Friend of the Engineers Club of Columbus,

While we were certainly sad to not have our annual Christmas Party last year, we are certainly excited to be back this year to celebrate its 95th year. Plans for another fantastic evening are well underway.

The **95TH Annual Engineers Club of Columbus Christmas Party** will be held on **Friday, December 2nd, 2022 at the Hilton Hotel at Easton**, and the Club is asking for your support. Contributions to the Christmas Party are needed to purchase prizes, book entertainment, and permit the Engineers Club to make a local charitable donation, which will help us brighten the holidays for others in our local community.

All corporate contributors' names will be listed in the Engineers Club Christmas Party Program under the following headings:

Diamond:	Those corporate contributions of \$750 or more
Platinum:	Those corporate contributions between \$500 and \$749.
Gold:	Those corporate contributions between \$250 and \$499.
Silver:	Those corporate contributions between \$100 and \$249.

Please print on the enclosed form how you wish to be listed in the program and return the form with your contribution as soon as possible, but no later than **November 25th, 2022**, to allow time for the printing of the party materials.

As a professional member of central Ohio's engineering industry, this is a wonderful and very meaningful way for you to help us give a little something back to the community that has been so good to us. Please help us to continue this Engineers Club of Columbus tradition.

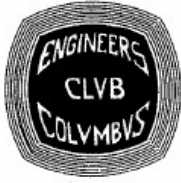

Sincerely,

Josh Lockhart, P.E.
Steve Koch, P.E.

Bill Narducci, P.E.
Joe Babcanec, P.E.
